The Dynamics of Heritage Nov 28 2022 There has been much academic interest in the role of museums as places where understanding of the past is shaped and legitimised for a wide and increasingly diverse public. This book focuses on the museum representations of the Highland Clearances - a much neglected aspect of one of the most disputed and politically-charged issues in modern Scottish history. Drawing together a range of inter-disciplinary themes and notions, it considers the cultural legacy of the period, brings to light the socially and historically conditioned meanings and values encapsulated in museum narratives of the Clearances, and shows the significance of collective memory in the negotiations inherent in heritage work. Examining both national and local museums in Scotland and concluding with comparisons with Australian museums of migration, Dynamics of Heritage contributes to our understanding of the processes of heritage construction, and its relationship to issues of memory and other modes of engagement with the past.

5000+ Danish - Scots Gaelic Scots Gaelic - Danish Vocabulary Oct 15 2021 ""5000+ Danish - Scots Gaelic Scots Gaelic - Danish Vocabulary" - is a list of more than 5000 words translated from Danish to Scots Gaelic, as well as translated from Scots Gaelic to Danish. Easy to use - great for tourists and Danish speakers interested in learning Scots Gaelic. As well as Scots Gaelic speakers interested in learning Danish.

Cruising Scotland Jun 30 2020 This lavishly illustrated book has been designed as a companion to the Clyde Cruising Club's Sailing Directions and covers the Scottish west coast from the Clyde to Cape Wrath and all the outlying islands. It was first written by the late Journal Editor, Mike Balmforth, in conjunction with the Editor of the Sailing Directions, Edward Mason, who has now prepared this second edition in collaboration with Imray. Cruising Scotland provides additional information, points of interest and many photographs and is a fascinating

and invaluable addition to the Club's publications. No yacht cruising the Scottish west coast should be without a copy.

Place names in much of north-east Scotland Aug 13 2021 A study of Celtic, Scots and English place names across large sections of north-east Scotland, based on interviews with indigenous residents working the land and the sea, along with historical sources and maps.

Scottish Rock Apr 21 2022 The best mountain, crag, sea cliff and sport climbing in Scotland. From the Foreword by Hamish MacInnes . "If you have an ambition to do all the climbs in these two Scottish Rock guides I think you'd better schedule time off in your next life. This labour of Gary's has been of gargantuan proportions. Those of you who use the guides will benefit by his dedication and the sheer choice offered; if you divide the retail price of these by the number of good routes you'll realise this is a bargain. Volume 1 covers a proliferation of Scottish crags up to the natural demarcation of the Great Glen. They are easier to access than most in Volume 2 and present infinite variety. I have been a long-time advocate of selected climbs and the use of photographs to illustrate both climbs and action. I'm glad that this principle has been used throughout these two volumes. It gives you a push to get up and do things. The list seems endless and if you succeed in doing half of them you'll be a much better climber and know a lot more about Scotland - have a good decade!"

Easy to use- great for tourists and Portuguese speakers interested in learning Scots Gaelic. As well as Scots Gaelic speakers interested in learning Portuguese.

Scottish Sea Kayak Trail Sep 21 2019 Scotland's west coast is an undisputed world-class sea kayaking destination. This book challenges the reader to kayak a 500km route, from the Isle of Gigha off the Kintyre peninsula, to the Summer Isles near Ullapool. It can be undertaken in four holiday-sized sections or as one long, glorious journey. The emphasis is on practical advice; how to tackle tricky tidal passages; places to visit; where to source essential information; food re- supply; where to safely leave kayaks overnight; how and when to shuttle vehicles; and the accessibility of public transport. Although camping is an essential element of this journey the book does not identify wild camp sites or even picnic places. It gives sea kayakers enough information to seek out their own adventures and so spread the environmental impact. The history of this country is inextricably linked to the west coast, from the Scoti to the Norsemen, the Lords of the Isles to the Clearances. An historical thread, woven through the text, tells 'Scotland's Story'. There are useful photographs and notes to help identify wildlife without disturbance, plus practical recommendations on wild camping, from minimum impact techniques to Scottish access law. For those who travel the trail in the comfort of their armchairs, there's also the story of the author's own journey. Together you will travel under big skies on imposing seas in the company of seals, dolphins, eagles and gulls. The Scottish Sea Kayak Trail is waiting for you.

Sandison's Scotland Jun 23 2022 Sandison's Scotland is a wonderful collection of stories and tales about some of the country's most wild and evocative places. From dark Loch Ness to the turbulent waters of the Pentland Firth, join Bruce on the path less travelled as he goes behind the scenes of Shetland's Up Helly Aa festival and the raucous Kirkwall Ba' Game, played for generations by the people of Orkney. There are also stops in remote townships - Helmsdale in the east, distant Glenelg in the west - visiting the crofts and castles that make Scotland so special. Throughout these exceptional tales, Bruce Sandison's love for his native land shines through as he brings the people, culture and history of Scotland to life. Sandison's Scotland is full of hidden gems and is a book for all times and all seasons. It will captivate, amuse and delight anyone with a love for Scotland.

The Scottish Highland Games in America Nov 16 2021 "This is a work of great value to all who seek knowledge of Scottish-American events, and who wish to understand what surely must be one of the most interesting, colorful, and evident ethnic occurrences in the U.S." -W. R. McLeod vice-chairman, Dunvegan Foundation Clan McLeod "The author's enthusiasm for the Scottish Highland Games, and indeed her expertise, are reflected in this long-awaited work. All who are interested in the story of this enduring and popular festival will be grateful to Ann Donaldson for her conscientious research. It is a fine tribute to those Americans of Scottish descent who have contributed to keep this unique aspect of their culture vibrantly alive in the New World." -Gerald Redmond author of The Sporting Scots of Nineteenth Century Canada Discover the Scottish Highland Games, celebrated in over thirty U.S. states every year. Participants compete in the caber toss, Highland dancing, piping and drumming, fiddling, and many more competitive and non-competitive events. The Scottish Highland Games in America recognizes the players and events that keep the modern Games alive and exciting. Readers will discover the history of the Games, rooted in Scotland and celebrated in the United States, Canada, Australia, New Zealand, and other countries where Scots have settled. A complete state-by-state listing of the Games and their events is also provided. ABOUT THE AUTHOR Emily Ann Donaldson is a devoted Games fan, a participant in Scottish country dancing, and a member of several Scottish associations.

Modern Scottish Women Poets Oct 23 2019 Edited and Introduced by Dorothy McMillan and Michel Byrne. ' This is a book full of life, energy, skill and unexpected found treasure: a blend of major and minor voices which reveals the formation and verve of Scotland ' s modern poetic. ' Ali Smith This invaluable collection traces the work of nearly a hundred writers over one of the most eventful periods in Scottish literary history, and an extensive introduction sets the scene for the growth of women writers from Scotland throughout the whole of the twentieth century.

With over 200 poems - from Naomi Mitchison, Carol Ann Duffy, Dilys Rose, Kathleen Jamie, Meg Bateman, Jackie Kay, Liz Lochhead and many more - this collection celebrates the exceptional power and range of Scottish women poets. 'It is a crucial anthology, exciting and dynamic. It feels revolutionary.' Sunday Herald 'This is an ambitious and brilliant collection that both illuminates the female component of a scene dominated by men and establishes a tradition through them that further illuminates their work. It is . . . a celebration of women whose reputations have grown steadily, as well as an indication of a broader confidence across Scottish writing.' Libby Brooks, Guardian

Scottish Poetry, 1730-1830 Aug 21 2019 The pride o' a' our Scottish plain; Thou gi'es us joy to hear thy strain, (Janet Little, 'An Epistle to Mr Robert Burns') The 18th century saw Scotland become one of the leading international centres of literature, philosophy, and publishing and yet still retain its lively oral tradition of ballads and poetry. Scottish Poetry, 1730-1830 edited by Daniel Cook contains over 200 poems and songs written in Scots, English, and Gaelic which reflect this vibrant period of literary flourishing. The collection places Burns, Scott, and other major writers alongside lesser known or even entirely forgotten figures. Gaelic poets feature in their original language and in translation, along with many important long poems in their entirety. Lairds and ladies jostle with labouring-class writers, satirists with sentimentalists, Gaelic bards with Gothic balladists, rural singers with urbanite odists, and together they reveal the unrivalled range of Scottish poetry. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The Scottish Educational Journal May 22 2022

Scotland in Modern Times Sep 14 2021 This book offers a mainly factual outline of the results of study, mainly within the last forty years, of these aspects of Scottish history, hitherto scattered through many specialised books and articles providing an outline of Economic and Social Development since the Union of 1707. Originally published in 1964.
