The Medal of Honor Sep 27 2022 Presents the history of the famed military service award in each of the branches of the United States military, recounting the stories of its recipients and examining the medal's place in American history.

The Practice of Honor Nov 17 2021 Honor? In Today's World? A one-of-a-kind book in both subject and perspective! The Practice of Honor is about reformation of honor—it is intended to disrupt your current model of authority! Jesus put it like this, "You know that the rulers of the Gentiles lord it over them, and those who are great exercise authority over them. Yet it shall not be so among you; but whoever desires to become great among you, let him be your servant" (Matthew 20:25-26). In some realms, honor is something defended to the death. However you have defined and cultivated honor up to now, The Practice of Honor may require a significant paradigm shift in your thinking. Based on the revival culture of the very spiritually successful Bethel Church in Redding, California, this book is also a template to help any leader develop an environment that brings out the very best in people. The Practice of Honor is a recipe for introducing the Spirit of God, and all of His freedom, and how to host and embrace that freedom as a community of believers. Those with power must learn how to empower those around them—or Heaven on the earth will never be realized as God intended.

In the Name of Honor Feb 08 2021 Delicate peace talks between the Federation and the Klingon Empire become complicated when Captain Kirk discovers that Starfleet prisoners of war are being held captive on a remote jungle planet. Now, with the unexpected assistance of an old adversary, Kirk embarks on a daring rescue mission, knowing that if he fails, the Federation will deny all knowledge of his intentions. But powerful forces within the Klingon government are determined to keep the shameful secret of the hostages' existence, even if it means obliterating every last trace of the prisoners -- and anyone who comes to save them!

Spaces of Honor Sep 03 2020 Traces the development of German civil society through collective actions of honor

Honor Mar 29 2020 What is honor? Is it the same as reputation? Or is it rather a sentiment? Is it a character trait, like integrity? Or is it simply a concept too vague or incoherent to be fully analyzed? In the first sustained comparative analysis of this elusive notion, Frank Stewart writes that none of these ideas is correct. Drawing on information about Western ideas of honor from sources as diverse as medieval Arthurian romances, Spanish dramas of the sixteenth and seventeenth centuries, and the writings of German jurists of the nineteenth and twentieth centuries, and comparing the European ideas with the ideas of a non-Western society—the Bedouin—Stewart argues that honor must be understood as a right, basically a right to respect. He shows that by understanding honor this way, we can resolve some of the paradoxes that have long troubled scholars, and can make sense of certain institutions (for instance the medieval European pledge of honor) that have not hitherto been properly understood. Offering a powerful new way to understand this complex notion, Honor has important implications not only for the social sciences but

also for the whole history of European sensibility.

In Honor May 31 2020 A devastating loss leads to an unexpected road trip in what Sarah Ockler calls a "beautiful, engaging journey with heart, humor, and just a pinch of Texas sass." Three days after learning of her brother Finn's death, Honor receives his last letter from Iraq. Devastated, she interprets his note as a final request and spontaneously sets off to California to fulfill it. At the last minute, she's joined by Rusty, Finn's former best friend. Rusty is the last person Honor wants to be with—he's cocky and obnoxious, just like Honor remembers, and she hasn't forgiven him for turning his back on Finn when he enlisted. But as they cover the dusty miles together in Finn's beloved 1967 Chevy Impala, long-held resentments begin to fade, and Honor and Rusty struggle to come to terms with the loss they share. As their memories of Finn merge to create a new portrait, Honor's eyes are opened to a side of her brother she never knew—a side that shows her the true meaning of love and sacrifice.

Role of Honor Oct 16 2021

Why Honor Matters Jun 24 2022 A controversial call to put honor at the center of morality To the modern mind, the idea of honor is outdated, sexist, and barbaric. It evokes Hamilton and Burr and pistols at dawn, not visions of a well-organized society. But for philosopher Tamler Sommers, a sense of honor is essential to living moral lives. In *Why Honor Matters*, Sommers argues that our collective rejection of honor has come at great cost. Reliant only on Enlightenment liberalism, the United States has become the home of the cowardly, the shameless, the selfish, and the alienated. Properly channeled, honor encourages virtues like courage, integrity, and solidarity, and gives a sense of living for something larger than oneself. Sommers shows how honor can help us address some of society's most challenging problems, including education, policing, and mass incarceration. Counterintuitive and provocative, *Why Honor Matters* makes a convincing case for honor as a cornerstone of our modern society.

Honor and Shame and the Unity of the Mediterranean Aug 02 2020 "A stimulating reflection on the utility of the honor/shame model" Kertzer *American Anthropologist* "This volume is thus especially significant and timely, and should be recognized as generally important for anthropologists, regardless of their particular ethnographic concerns." Saunders *Anthropological Quarterly* Gilmore provides new, comparable data on Peristiany's paradigm, "honor and shame." He reexamines fundamental assumptions about Mediterranean unity made on the basis of the original honor/shame model. TABLE OF CONTENTS Introduction: The Shame of Dishonor by David D Gilmore Family and State in the Mediterranean by John Davis Seeds of Honor, Fields of Shame by Carol Delaney "Horsemen are the Fence of the Land" Honor and History among the Ghyyata of Eastern Morocco by Michael A Marcus Female Chastity Codes in the Circum-Mediterranean: Comparative Perspectives by Maureen J Giovanni "As in Your Own House" Hospitality, Ethnography, and the Stereotype of Mediterranean Society by Michael Herzfeld Honor, Honesty, Shame: Male Status in Contemporary Andalusia by David D Gilmore Shame, Family, and State in Catalonia and Japan by Mariko Asano-Tamanoi Reflections on Honor and Shame in the Mediterranean by Stanley Brandes

Matters of Honor Sep 22 2019 "Terrifically intelligent, moving, and entertaining." -The New York Sun "With snappy dialogue [and] intelligent prose . . . Begley paints a memorable portrait of lasting friendship and of the strength required to step outside of the expectations that surround each of us." -Rocky Mountain News At the beginning of the 1950s, three disparate young men are thrown together as roommates at Harvard College: Henry White, a Polish-Jewish refugee who survived World War II by hiding in Poland; Archibald P. Palmer III, an Army brat; and Sam Standish, ostensibly the scion of a fine New England family who has just learned that he was adopted at birth by parents he cannot respect. Each seeks to come to terms with his identity or to remake it altogether. Henry's task is especially daunting: He is determined to live as an American, free of the shackles of his hideous past. But reinvention is a bargain with the devil, and

over the years each will find that it comes at a high cost, challenging one's honor and loyalty to parents, friends, and ultimately oneself. **BONUS:** This edition includes an excerpt from Louis Begley's *Memories of a Marriage*. "Absorbing . . . In full Henry James mode, Begley uses a lucid prose style to dispassionately eviscerate the upper classes even as he illuminates the true meaning of friendship." -Booklist "The final moral crisis of Henry's life [is] gorgeously evoked. . . . Begley's analysis of class and anti-Semitism in America is often brilliant." -The Washington Post Book World "A moving tale . . . [Begley's] technique demands attention—and richly rewards it." -The New York Observer "An elegant novel of enduring friendship." -Publishers Weekly (starred review)

In Defense of Honor Mar 09 2021 Examines debates over sexual honor to explore the ways in which private morality was infused with the cultural politics of nation-building and modernization, and was used to legitimate power differentials based on race, gender, and class.

By **Honor Bound** Jun 12 2021 The powerful and moving story of two Medal of Honor winners, written by New York Times bestselling author Dick Couch, with a foreword by Senator Bob Kerrey.

Medal of Honor, Revised & Updated Third Edition Aug 14 2021 An updated edition of the New York Times bestseller, featuring 12 new recipients and a new foreword by Bradley Cooper Eight veterans from the war in Afghanistan have been awarded our nation's highest honor for valor in combat since the publication of the third edition of Medal of Honor, including Edward C. Byers, Jr., the newest living recipient and a member of Navy SEAL Team Six, and Clint Romesha, author of the New York Times bestselling *Red Platoon*. And nearly 50 years after their service, four Vietnam veterans have also since received the recognition they so richly deserve. Now these men rightly take their place in the pages of this revised and updated edition. Included here are 156 Medal of Honor recipients, captured with a contemporary portrait by award-winning photographer Nick Del Calzo and profiled in moving text by National Book Award nominee Peter Collier. The men in the book fought in conflicts from World War II to Afghanistan, served in every branch of the armed services, and represent a cross section as diverse as America itself. This is their ultimate record.

Culture Of Honor Dec 06 2020 This book focuses on a singular cause of male violence—the perpetrator's sense of threat to one of his most valued possessions, namely, his reputation for strength and toughness. The theme of this book is that the Southern United States had—and has—a type of culture of honor.

The Guest of Honor May 23 2022 U.S. President Matthew Underwood is dangerously indifferent to his job until he meets the female head of tiny Lampang, falls in love, and becomes mired in Lampang's internal politics to the detriment of his own career

The Book of Honor Jul 13 2021 A national bestseller, this extraordinary work of investigative reporting uncovers the identities, and the remarkable stories, of the CIA secret agents who died anonymously in the service of their country. In the entrance of the CIA headquarters looms a huge marble wall into which seventy-one stars are carved—each representing an agent who has died in the line of duty. Official CIA records only name thirty-five of them, however. Undeterred by claims that revealing the identities of these "nameless stars" might compromise national security, Ted Gup sorted through thousands of documents and interviewed over 400 CIA officers in his attempt to bring their long-hidden stories to light. The result of this extraordinary work of investigation is a surprising glimpse at the real lives of secret agents, and an unprecedented history of the most compelling—and controversial—department of the US government.

More Than Honor Dec 18 2021 DAVID WEBER In just a few short years, David Weber has shot to the forefront of science fiction with his top-selling novels of Honor Harrington, the toughest, smartest starship captain in the galaxy. Now two more military SF world-beaters join him in Honor's universe, bringing their own celebrated skills in this homage to Honor. DAVID DRAKE Creator of *Hammer's Slammer's* S. M. STIRLING Creator of the *Draka* At the publisher's request, this title is sold without DRM (Digital Rights Management).

Culture of Honor Dec 26 2019 Silk presents a book of reformation intended to disrupt Christians' current model of authority, based on Matthew 20: 25-26. (Social Issues)

In Honor of Broken Things Feb 26 2020 Three unlikely friends become partners in heartbreak and hope during a middle school pottery class in this powerful, poignant novel—perfect for fans of Gordon Korman and Lynda Mullaly Hunt. At West Beacon Middle School, eighth graders Oscar Villanueva, Riley Baptiste,

and Noah Wright become unlikely friends during Introduction to Clay class. Oscar, a football star, just lost his little sister to cancer. Riley's been dragged away from Philadelphia by her single mom to a new life in West Beacon, a tiny Pennsylvania coal town that's smaller than Riley's old school. Noah's spent his whole life as a homeschooler and just started West Beacon Middle School as a result of his parents' train wreck of a divorce. Through art, football, failure, faith, and trust, the friends help one another to piece things back together again. In true friendship, they also discover that some injuries may never heal, some things can never be unbroken—and that's okay too.

Honor in German Literature Apr 29 2020 Originally published in 1959, this first scholarly study of the origin and development of the concept of honor in German literature traces its role from ancient Germanic to modern works and shows how the transformation from external to internal conceptions of honor were influenced by Christian and Stoic ideals.

Team Code of Honor Nov 29 2022 Every great team, culture, society, religion or business that has endured time, adversity and challenge has always had one thing in common: a set of simple but powerful rules that govern the internal behaviors and expectations of that group. It is called The Code of Honor. We hear of these Codes when we think of things like The Ten Commandments, the Marine Corps or the Constitution. Yet if sales is the number one skill in business, number two has to be the ability to bring ordinary people together to build a championship team. This does not happen by chance or by the simple accumulation of talent. The Code is the core ingredient to creating winning organizations. The book is a step-by-step guide for any individual, group or company to actually create a Code of Honor specific to their team. The Rich Dad Poor Dad Advisor series was designed as a "how-to" series to empower individuals to succeed in the world of business and finance. "Team Code of Honor" is critical to this series because its processes bridge all facets of business, investment, entrepreneurship and even personal life. The book explains through graphic examples, stories and numerous case studies how a Code or set of rules is created, maintained, enforced and used for rapid and controlled growth of any entity. The book is designed as an operating manual for putting any business team together. It steps you all the way from properly choosing players, to creating the Code, to increasing performance and to winning. Each chapter gives the team specific assignments and examples so that by the time you have completed the book, your Code is in place and your team is operating at a true championship level.

Honor in the Dust Jul 25 2022 "Fascinating."—New York Times Book Review • "Well-written."—The Boston Globe • "Extraordinary."—The Christian Science Monitor • "A compelling page-turner."—Adam Hochschild On the eve of a new century, an up-and-coming Theodore Roosevelt set out to transform the U.S. into a major world power. The Spanish-American War would forever change America's standing in global affairs, and drive the young nation into its own imperial showdown in the Philippines. From Admiral George Dewey's legendary naval victory in Manila Bay to the Rough Riders' heroic charge up San Juan Hill, from Roosevelt's rise to the presidency to charges of U.S. military misconduct in the Philippines, *Honor in the Dust* brilliantly captures an era brimming with American optimism and confidence as the nation expanded its influence abroad.

The Honor of the Queen Nov 24 2019 Science fiction roman.

Pursuit of Honor Apr 10 2021 After his team member, Mike Nash, witnesses a terror attack in

Washington, D.C., CIA superagent Mitch Rapp must pursue the al Qaeda terrorists responsible as he fights a covert war that can never be discussed, even with the government's own political leaders.

[Guard of Honor](#) Jan 19 2022

Honor Apr 22 2022 "The story of two Indian women, one a victim of a brutal crime and the other an Americanized journalist returning to India to cover the story, and the courage they inspire in each other"--

Code of Honor Feb 20 2022 A timely, nonstop action-adventure about the War on Terror -- and a family torn apart. Kamran Smith has it all. He's the star of the football team, dates the most popular girl in school, and can't wait to join the Army like his big brother, Darius. Although Kamran's family hails from Iran, Kamran has always felt 100% American. Accepted. And then everything implodes. Darius is accused of being a terrorist. Kamran refuses to believe it, but the evidence is there -- Darius has been filmed making threats against his country, hinting at an upcoming deadly attack. Kamran's friends turn on him -- suddenly, in their eyes, he's a terrorist, too. Kamran knows it's up to him to clear his brother's name. In a race against time, Kamran must piece together a series of clues and codes that will lead him to Darius -- and the truth. But is it a truth Kamran is ready to face? And is he putting his own life at risk?

[Price of Honor](#) Aug 22 2019 A NEW YORK TIMES NOTABLE BOOK "Explains powerfully how Muslim women are affected by the rise of fundamentalism."—Dan Rather In recent years, the expanding movement of militant Islam has changed the way millions think, behave, dress, and live, but nowhere has its impact been more powerfully felt than in its dramatic, often devastating effect on the lives of women. Award-winning journalist Jan Goodwin traveled through ten Islamic countries and interviewed hundreds of Muslim women, from professionals to peasants, from royalty to rebels. The result is an unforgettable journey into a world where women are confined, isolated, even killed for the sake of a "code of honor" created and zealously enforced by men. Price of Honor brings to life a world in which women have become pawns in a bitter power game, and gives readers a provocative look inside Muslim society today—in their own words.

At the Edge of Honor May 11 2021 Robert Macomber's Honor series of naval fiction follows the life and career of Peter Wake in the U.S. Navy during the tumultuous years from 1863 to 1901. At the Edge of Honor is the first in the series and winner of the Patrick D. Smith Literary Award as Best Historical Novel of Florida. The year is 1863. The Civil War is leaving its bloody trail across the nation as Peter Wake, born and bred in the snowy North, joins the U.S. Navy as a volunteer officer and arrives in steamy Florida for duty with the East Gulf Blockading Squadron. The idealistic Peter Wake has handled boats before, but he's new to the politics and illicit liaisons that war creates among men. Assigned to the Rosalie, a tiny, armed sloop, Captain Wake commands a group of seasoned seamen on a series of voyages to seek and arrest Confederate blockade-runners and sympathizers, from Florida's coastal waters through to near the remote out-islands of the Bahamas. Wake risks his reputation when he falls in love with Linda Donahue, whose father is a Confederate zealot, and steals away to spend precious hours with her at her Key West home. Their love is tested as Wake learns he must make the ugly decisions of war even in a beautiful, tropical paradise—decisions that take him up to the edge of honor.

Edge of Honor Sep 15 2021 Quentin Larribee is a surgeon--one of the best. But in the confusion of one of the Civil War's last, desperate skirmishes, the hands devoted to healing bring death to William Breckenridge, an enemy soldier in the act of surrendering. Now the deed haunts Quentin. A bright future lies before him, with marriage to the lovely Irene Chambers and eventual ownership of her father's prosperous medical practice. But it cannot ease Quentin's troubled conscience. Honor compels him to see to the welfare of the dead man's family. Quentin moves from New York City to the little town of Helena, Arkansas, where he attempts to save the wife of Breckenridge and her children from financial ruin. But in trying to solve one problem, he creates another, falling in love with the widow of the man he killed--a woman who knows nothing of his terrible secret. Two women beckon Quentin--one to a life where his gift as a healer can prosper beyond his wildest dreams, the other to a truer but impossible love. Edge of Honor is an unforgettable novel of redemption and honor, where good is found in the unlikeliest places and God's unseen hand weaves a masterful tapestry of human hearts and lives.

Honor and Shame in Early China Oct 04 2020 In this major new study, Mark Edward Lewis traces how the changing language of honor and shame helped to articulate and justify transformations in Chinese society between the Warring States and the end of the Han dynasty. Through careful examination of a wide

variety of texts, he demonstrates how honor-shame discourse justified the actions of diverse and potentially rival groups. Over centuries, the formally recognized political order came to be intertwined with groups articulating alternative models of honor. These groups both participated in the existing order and, through their own visions of what was truly honourable, paved the way for subsequent political structures. Filling a major lacuna in the study of early China, Lewis presents ways in which the early Chinese empires can be fruitfully considered in comparative context and develops a more systematic understanding of the fundamental role of honor/shame in shaping states and societies.

Oath of Honor Jul 01 2020 "Former Marine Logan West must outmaneuver a deadly Russian black-ops team intent on stealing America's newest advanced intelligence and weapons system."--

A Sense of Honor Nov 05 2020 Two dissimilar midshipmen at the U.S. Naval Academy personify the sense of conflict and transition afflicting the academy as it shifts from being a military training school to a college for nuclear engineers and technicians

Shame and Honor in the Book of Esther Mar 21 2022 Discusses the centrality of the concepts of shame and honor to the biblical story of Esther, revealing the story as a parable about the crisis of identity which Jews faced in the Diaspora. Divides the story into four movements; each chapter within each movement is summarized, and then analyzed through close reading for what it has to say about the themes in question. No index. Annotation copyrighted by Book News, Inc., Portland, OR

Illusions of Honor Jan 07 2021 Basketball is a business. The stakes are high. When one college president decides to have a championship regardless of the price, the dominoes begin to fall around him until he is toppled by his own game. Unfortunately, his fall brings down others who have no skin in the game. Choosing honor in a dishonorable world is a dangerous play. All the members of the president's team were not willing players.

Worlds Of Honor Aug 26 2022 The creator of the Honor Harrington adventures shares stories from the series past, revealing how a young Honor rescued victims of an avalanche, among other tales of bravery. Original.

[American Honor](#) Oct 24 2019 The American Revolution was not only a revolution for liberty and freedom, it was also a revolution of ethics, reshaping what colonial Americans understood as "honor" and "virtue." As Craig Bruce Smith demonstrates, these concepts were crucial aspects of Revolutionary Americans' ideological break from Europe and shared by all ranks of society. Focusing his study primarily on prominent Americans who came of age before and during the Revolution—notably John Adams, Benjamin Franklin, Thomas Jefferson, and George Washington—Smith shows how a colonial ethical transformation caused and became inseparable from the American Revolution, creating an ethical ideology that still remains. By also interweaving individuals and groups that have historically been excluded from the discussion of honor—such as female thinkers, women patriots, slaves, and free African Americans—Smith makes a broad and significant argument about how the Revolutionary era witnessed a fundamental shift in ethical ideas. This thoughtful work sheds new light on a forgotten cause of the Revolution and on the ideological foundation of the United States.

Eyes of Honor Jan 27 2020 Open your pure eyes. whatever things are true, whatever things are noble, whatever things are just, whatever things are pure, whatever things are lovely, whatever things are of good report, if there is any virtue and if there is anything praiseworthy--meditate on these things (Philippians 4:8). After struggling with sexual temptation for years, author Jonathan Welton devoted himself to finding a way to be completely free from sexual sin. He read books, attended 12-step groups, and participated in counseling--with no success. Spurred on by countless friends and acquaintances who shared a similar broken struggle and longed for freedom, the author searched Scripture--there he found the answer and shares it with you in a compassionate, nonjudgmental way. Eyes of Honor helps you understand how to live a life of purity by realizing: Your personal identity. How to view the opposite sex correctly. Recognizing your enemies. Eyes of Honor is honest and refreshing, offering hope and complete freedom and deliverance from sexual sin. Jesus' sacrifice on the cross and your salvation guarantee rescue from the appetite of sin. Your true identity empowers you to stop agreeing with the lies of the enemy that ensnare you.

Halls of Honor Oct 28 2022 A powerful confluence of youthful energies and entrenched codes of honor enlivens Robert F. Pace's look at the world of male student college life in the antebellum South. Through

extensive research into records, letters, and diaries of students and faculty from more than twenty institutions, Pace creates a vivid portrait of adolescent rebelliousness struggling with the ethic to cultivate a public face of industry, respect, and honesty. These future leaders confronted authority figures, made friends, studied, courted, frolicked, drank, gambled, cheated, and dueled -- all within the established traditions of their southern culture. For the sons of southern gentry, college life presented a variety of challenges, including engaging with northern professors and adjusting to living away from home and family. The young men extended the usual view of higher education as a bridge between childhood and adulthood, innovatively creating their own world of honor that prepared them for living in the larger

southern society. Failure to obtain a good education was a grievous breach of honor for them, and Pace skillfully weaves together stories of student antics, trials, and triumphs within the broader male ethos of the Old South. When the Civil War erupted, many students left campus to become soldiers, defend their families, and preserve a way of life. By war's end, the code of honor had waned, changing the culture of southern colleges and universities forever. Halls of Honor represents a significant update of E. Merton Coulter's 1928 classic work, *College Life in the Old South*, which focused on the University of Georgia. Pace's lively study will widen the discussion of antebellum southern college life for decades to come.
